Damage to school property.

There has been a significant amount of anti social behaviour in the school grounds over the past few weeks, resulting in damage to school property. This activity is inappropriate and damages the school yard and environment which is the play and recreation area for our pupils. An Garda Síochána have been notified and have visited the school to provide guidance and assistance. Please contact the Gardaí at 021 4884222 if you see any groups or individuals in the school property at any time.
